

DECLARAÇÃO

Processo nº 23106.008576/2021-75

UnB Official Acts Bulletin on 12/07/2020

RESOLUTION OF THE UNDERGRADUATE EDUCATION CHAMBER N. 0001/2020

It defines the Academic Performance Index (Índice de Rendimento Acadêmico - IRA) and the Weighted Average (Média Ponderada - MP), and gives its calculation formulas.

THE CHAMBER OF UNDERGRADUATE EDUCATION, in the exercise of its powers, in its 1424th Ordinary Meeting, held on 12/01/2020:

DECIDES:

Article 1. This Resolution defines the Academic Performance Index (IRA) and the Weighted Average (MP) for the University of Brasília, and gives their calculation formulas.

1.1. The IRA represents the student's general academic performance numerically.

1.2. The MP represents the student's specific academic performance in a given program.

Article 2. The Academic Performance Index (IRA) varies from 0 to 5, the last number is its highest value, and it is calculated by the following formula:

$$\frac{\sum_{i=1}^n (E_i \cdot Cr_i \cdot Se_i)}{\sum_{i=1}^n (Cr_i \cdot Se_i)}$$

in which:

n = number of courses of the integrant module concluded by the student;

E_i = equivalence of the grade of the i-th subject: SS=5, MS=4, MM=3, MI=2, II=1 and SR=0;

Cr_i = number of credits of the i-th course;

Se_i = semester in which the i-th course was concluded, being 6 (six) its highest value.

Article 3. The Weighted Average (MP), in a given program, corresponds to the range from 0 to 5, being 5 the highest value, and it is calculated by the following formula:

$$\frac{\sum_{i=1}^n (D_i E_i)}{\sum_{i=1}^n D_i}$$

in which:

n = number of courses of the integrative module concluded by the student;

D_i = number of credits of the i -th course of the integrative module;

E_i = equivalence of the grade of the i -th subject: SS=5, MS=4, MM=3, MI=2, II=1 and SR=0.

3.1. The courses of the integrative module, which correspond to the curricular structure of the program, whether mandatory or optional, will not be counted differently for the purposes of calculating the Weighted Average (MP).

3.2. The free module courses of the program will not be counted for the calculation of the Weighted Average (MP).

Article 4. Omitted cases will be resolved by the Dean of Undergraduate Education - DEG, with the possibility of appeal to the Undergraduate Teaching Chamber – CEG.

Article 5. This Resolution comes into force on the date of its publication.

Brasília, December 4, 2020.
